III.—DETAILS of the above.

E. 1.—NATIONAL SCHOOLS, SALARIES, &c. :

In 1871-72 the remuneration of the 1st Class and Probationary Teachers was increased on the principle of payment for results, and on that account 20,000 £ has been provided in the Estimates of 1872-73. It has now been decided to extend the principle, and to improve the pay of the teachers generally, by a revision of the class Salaries, and by the substitution of a scale of payment for results for the good service salaries and gratuities now paid to them. A further sum of 84,091 £ is necessary for that purpose. The total increase of charge over the previous system for the current financial year will be 104,091 £.

H.—POUNDS ON POST OFFICE ORDERS FOR PAYMENTS BY RESULTS:

This charge is a consequence of the decision recorded in the previous paragraph.
